## HS English Competency

The HS English Competency certificate is designed to demonstrate student achievement from basic to advanced skills in reading comprehension, literary analysis, writing mechanics, and oral presentations. Students will use a variety of genres and themes to expand their knowledge of the human experience within historical, social, and political contexts. The communication and analytical skills learned in the program will allow students to participate in and evaluation intellectual discussions as well as speak and write with an awareness of self, others, and context. Completion of this certificate will prepare students for college and work. This certificate is in alignment with UC A-G requirements and will provide the skills necessary for students to be prepared to take credit English courses. The program is created for the purpose of preparing students for college English courses by focusing on composition skills and critical thinking.
